

Hi Aaron-

I received from feedback that the "Bottom-Line Up Front" and Conclusion slides need some more work so we'll send another draft hopefully later this morning. The comments on the middle section of the deck should be fine for you to incorporate.

Thanks,
Eve

Hi Aaron-

Attached are some "notes" for you to consider in the presentation. You can copy and paste into your template slides for the suggestions you like- feel free to edit and reword as needed. I am also sending a copy to Doug in our communications staff to see if he has any additional thoughts or comments since he is very good at messaging most of our lower Snake River dam capability public reports.

Thanks,
Eve
