Katie,

We may need to have this presentation ready for a meeting on Tuesday. (And that's a meeting without us there to present, so it probably needs to get there by Friday so folks can ask us questions.)

Bottom line, we are suddenly under extreme pressure to get this done. We told E3 that you'd have it ready by the end of tomorrow. But if you have it partially done, it might be a good idea to share that so they know what they will be dealing with.

Eve and Birgit,

See attached for the draft public summary deck. We hope to receive your feedback on Monday afternoon and discuss a path forward to finalizing this document shortly. Assuming the messaging aligns with your expectations of what the summary should cover, we can draft the 1-pager summary next week to align with the final public deck.

All the best,

Aaron

Hi Eve,

This all seems doable. Would the 1-2 pager exec summary from our word report also suffice? If not, we'll likely need a bit of additional budget if we need to create a separate PPT doc. We can discuss further tomorrow.

Thanks,

Aaron

DELIBERATIVE FOIA EXEMPT

Hi Aaron-

I took some notes at an internal meeting where we were discussing future sharing of study information at a higher level since at some point this will go to a layperson audience. I thought it might be a helpful reference to share- we referenced some of the graphics and slide numbers from the presentation you had on this email.

Thanks,
Eve
